AZEK Building Products Fact Sheet 2009

AZEK Building Products, Inc. is the manufacturer of a full line of premium, low-maintenance exterior building products. The AZEK family of products includes:

- **AZEK® Trim, the #1 brand of trim,* is made of cellular pvc with the look, feel and even sound of clear lumber. A new technology called AZEK Edge debuting April 1, 2009 features AZEK Trim with the AZEK Edge, setting a new industry standard. The AZEK Edge is made with proprietary technology to create trim that is “S4S” - or Surfaced 4 Sides. The smooth, sealed edges of each board ensure AZEK Trim will stay cleaner in the dealer yard and on the jobsite and will be easier to clean after installation. AZEK Trim products have an ICC Code Report (ESR-1074) and can be milled, routed and heat formed.**
- **AZEK® Mouldings are extruded in 16 beautiful profiles, including the new Adams Casing, and ready to install or layer for traditional, modern or historic trim accents.**
- **AZEK® Deck with Procell® Technology is available in 5 colors in a natural, wood grain texture. Truly low-maintenance, it is the #1 brand of stain-resistant decking and also resists scratches and splitting. It’s easy to install and even easier to clean. AZEK Deck has an ICC Code Report (ESR-1667) and CCRR-0101 and a UL Classification for use in new construction California WUI fire zones.**
- **AZEK® Porch with Procell® Technology has the durability and stain-resistance of AZEK Deck. Impervious to moisture, it is a 1X4 tongue and groove porch plank that is easy to install and clean. It has Architectural Testing’s CCRR code listing.**
- **AZEK® Rail in Premier and Trademark styles are featured in white and colors that complement AZEK Deck and AZEK Porch. The railings have a composite core and durable, textured capstock that looks like painted wood. AZEK Rail products have an ICC code listing.**
- **AZEK® products do not absorb moisture will not rot and resist insects. They are the perfect low-maintenance, exterior products to stand up to any kind of weather. For more information visit the company website at www.azek.com or call 1-877- ASK-AZEK.**
