DAC Products Touts Their Graphics Capabilities

East Bend, NC – DAC Products, manufacturer of window and door samples and displays continues to add to their offerings. Above and beyond their digital and screen printing capabilities, they offer a complete line of banner stands and tradeshow tools.

The Roll-up Banner Stand is a versatile and inexpensive way to tell your story in a full color, professional way. Priced at \$285.00 for one, the complete kit includes the stand, 33 ½" X 78 ½" printed banner, and carrying case. Larger quantities can be purchased for as little as \$250.00 each.

In addition to graphics DAC offers standard and custom displays, carrying cases, pitch kits, and I.G tools as well as fulfillment services to meet individual customer requirements.
